Dear Pastor Maudlin ,

The last two months we have met new missionaries, taken on a new project in Ireland, and have been encouraged by the excitement we have seen for mission work on the European continent. I had the privilege of being in Belgium at the Rawlings Chateau with Keith Gandy, Tim Downs, and eighteen other missionaries for a conference that Keith and Tim put on. It was encouraging to hear of the progress of the works and the vision that these men have for the work they are doing in Europe. It was a great start to the new year. The result is that I met Bob and Marilyn Hutton and are going to work on getting them a camera that will allow them to shoot HD video and use it for their work. They have done a great job and this will be a real help to them.

We finished the year out by completing the feeding center and church building in Malawi. This ministry is growing and I will be working with additional projects with this missionary for 2013. We also received a \$1,000.00 offering for the orphanage in India in December from one of our business partners.

Thanks to all of the churches that sent special Christmas offerings. It made Christmas special for Judi and me this year. Thanks so much!!!

The year end report for 2012 will follow this update within a week. Feel free to contact me with any questions you might have. I still have a couple of dates open in April if you would like for me to come and do a report or be in your conference.

God bless you and your work.
